*September 2004 Academic Course Guide Manual. NOTE: Because Texas Education Code; Subchapter F, Section 51.301 does not specify how the required course content should be distributed over the required six SCH, two instructional patterns, represented by the TCCN course sequences GOVT 2301 and 2302 or GOVT 2305 and 2306, have evolved among institutions. Because combination of a course from one sequence with a course from the other sequence may not successfully fulfill the content requirement of Section 51.301, **students are urged to complete all six SCH within a single institution.** Inevitably, however, students will seek to combine courses from the two sequences. The following alternative combinations will fulfill the content requirement of Section 51.301: GOVT 2301 and 2305; GOVT 2301 and 2306. The following combinations will not satisfy the content requirement of §51.301: GOVT 2302 and 2305 (omits study of the Texas constitution; GOVT 2302 and 2306 (omits study of the U.S. Constitution). ****Students with credit for GOVT 2302 and 2305, GOVT 2302 and 2306, or equivalent combinations may satisfy the legislative requirement by earning credit for GOVT 2107, a 1 SCH course providing the required constitutional content missing from these two course combinations.)**
