## How Course Duplications Transfer for Admission Requirements

*Use the “best grade”  
\*(GPA does not transfer)*

- Texas Woman’s University
- Sam Houston State University
- Stephen F. Austin State University

Hours	Grade	Points
3	F	0
3	B	9
3	C	6
3 hours		9 points = 3.0 GPA

*Use the “last grade”  
\*(GPA does not transfer)*

- Texas A&M University—Commerce
- Texas Wesleyan University
- University of North Texas
- West Texas A&M University

Hours	Grade	Points
3	F	0
3	B	9
3 hours		9 points = 3.0 GPA

*Previous hours and points are not counted for first repeat. All subsequent hours and points will be used in calculating GPA.*

*\*(GPA does not transfer)*

- Texas State University
- University of Texas at Dallas

Hours	Grade	Points
3	F	0
3	B	9
3 hours		9 points = 3.0 GPA

Hours	Grade	Points
3	F	0
3	B	9
3	C	6
6 hours		15 points = 2.5 GPA

*All hours are calculated, but only the points for the last grade are used for transfer credit. For admission purposes, a student’s transfer grade point average is determined by dividing the total number of grade points earned by the number of semester hours for which a grade other than withdrawn passing is received.*

- Texas A&M University
- Texas Tech University
- University of Texas at Arlington

Hours	Grade	Points
3	F	0
3	B	9
3	C	6
9 hours		6 points = .666 GPA

*UT-Austin awards transfer credit for the last occurrence of repeated courses. If last occurrence is a D or F, no transfer credit is awarded.*

- University of Texas at Austin

Hours	Grade	Points
3	F	0
3	B	9
3	C	6
9 hours		15 points = 1.666 GPA

***Transfer GPA is used only for admission requirements.***

\* At some institutions graduation with honors is calculated by the overall GPA, which includes transfer GPA, as well as grades earned at the institution.
